We are here to help!

Please know that for best results, you should access your account from your laptop or PC and use Google Chrome as your browser (Internet Explorer and Safari don't load images and video quickly enough).

You may find that clearing your cache will remedy any outstanding technical difficulties. Here's a quick how to for you: [Tips to Clear Your Cache](#)

If you still have any issues after that you can contact our support team at detox@draxe.com
