All Dr. Axe programs carry a 60 day money-back guarantee.

If after following the program you are not satisfied, simply email [EOT@DrAxe.com](mailto:EOT@DrAxe.com),  
subj: Refund.

This will ensure a timely response to your request.

We would love to know how we can make our programs better so if you can give us details about your refund request or would allow us to talk to you on the phone we would love to improve your customer experience.
